

## Which are the hot sectors for PPPs in Brazil?

London, November 8, 2011

**EBP**

Estruturadora Brasileira de Projetos

# What is EBP - ESTRUTURADORA BRASILEIRA DE PROJETOS?

Equal shares

One vote each on the Board

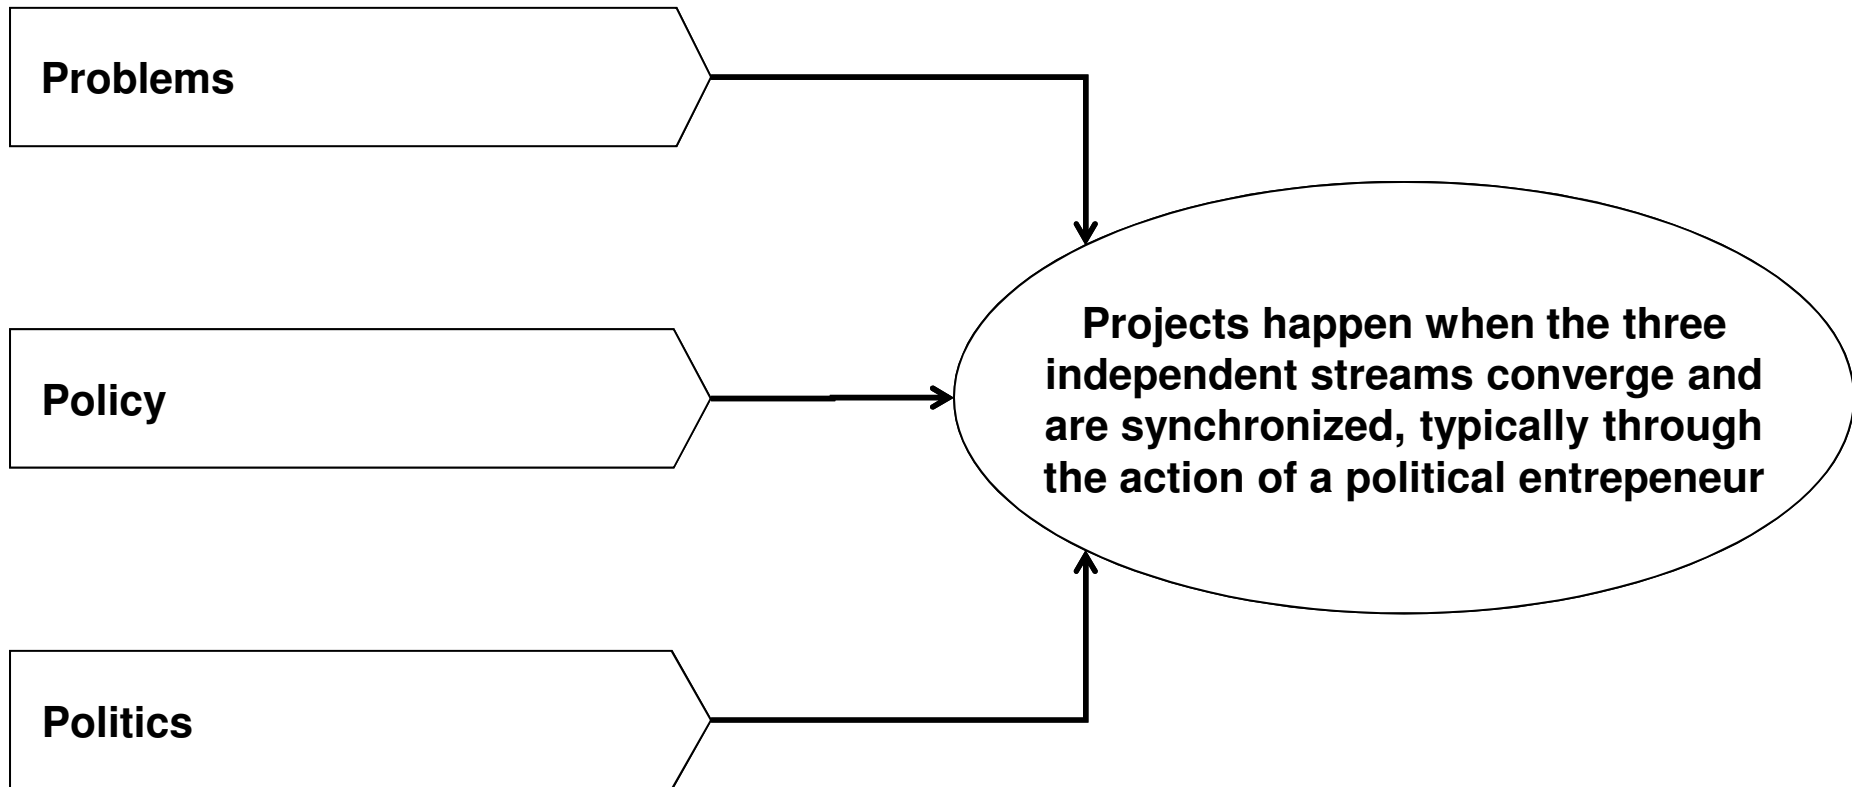

Development of infrastructure projects:

- With government partners
- As concession contracts or PFIs
- Combining public interest and private attractiveness
- With private sector speed and flexibility

# How and when do projects happen?

## Multiple streams framework

---

Source: Zahariadis, N. 2007, "Multiple Streams Framework" in "Theories of the Policy Process", ed. P. Sabatier, Westview Press, EBP analysis

## Which are the hot sectors for PPPs in Brazil?

	Problem	Policy	Politics
